What is the difference in "Base", "Better" and "Best" configurations?
- **Base:** Tax software will install and run correctly in this minimal configuration, but performance may not be suitable for some users.
- **Better:** Enhances performance and application response times to meet the needs of most users.
- **Best:** Recommended for optimum performance, especially for users who prepare complex returns or large numbers of returns.

Operating Systems
Windows® 8.1 will no longer be supported. Microsoft® ended support on Jan. 10, 2023, so Windows® 8.1 will no longer receive vital security updates after this date.

Browser Support
- Microsoft Edge®
- Google® Chrome™
- Apple® Safari® (TaxWise Online Only)
